## Product Description

### Small But Perfectly Formed

GOODSENSE 3 ton diesel side loader forklift is a design, together with subtler control through a new hydraulic system.

A highly efficient engines  
Firm, certified components  
Improved control

### Key Features

#### COMPACT SIZE

Low platform heights and short chassis lengths do not compromise our GOODSSENSE 3 ton diesel side loader forklift's ability to carry long loads in tight areas.

#### REAR STEP & HANDLE

Handles and footsteps allow the operator to access loads and cabin with the minimum of effort.

#### LOW EMISSIONS

The Yanmar 43kw engine meets EU Stage IIIA emissions standards.

#### EXCELLENT VISIBILITY

The cabin has been designed to strengthen the chassis and deformatize access.

The Range: Compact-Sized, Light Duty

Optimized weight distribution owing to the power unit below platform

Environment friendly, emission optimized powerful diesel engine

Low centre of gravity and high residual load capacities
